About Le Manoir

You enter Le Manoir from the grassy quadrangle into the hall.

On your left is the modern kitchen equipped with a range cooker, dishwasher, Large American style fridge/freezer, microwave oven, & all the equipment you need to cater for a group this size.

Facing you across the entrance hall is the enormous living/formal dining room. In the middle of the dining room is a 4 metre long refectory table. To the Living Room end are three sofas, + arm chairs. These are arranged around a wood-burning stove for use in the winter. There is a large T.V. with British "Sky -Free to air" a DVD player & a 5.1 surround sound here too.

Beyond the kitchen is the informal dining area, popular for kid's breakfasts. To one side is the down-stairs bathroom, which includes the larger-than-normal washing machine.

Going upstairs from the entrance hall, you arrive on a spacious landing. This offers access to five of the six bedrooms:

3 with king-size beds.

2 with twin beds.

1 with a double bed & a single bed.
