About Ugni-Blanc

2 Bedroomed Ugni-Blanc was the original Cognac store and on entry the aroma of the "Angels Share" prevailed. Unfortunately this has gone the way of the Cognac, but many features of the original building remain along with the solid oak beams and new oak floors.

The ground floor bedroom has a built-in wardrobe, double bed and en suite multi-jet shower cabinet, vanity and wc. Towels are included but we request that you do not use them by the pool.

The upstairs bedroom has both a double and a single bed with ample space for a cot or additional bed with similar en suite facilities to the ground floor bedroom.

The open plan, air conditioned living area is comfortable and spacious with its vaulted ceiling. Seating 6 with ease and includes television with satellite and dvd along with a hifi unit. For the cooler periods there is a large wood burning stove.

The kitchen is well equipped and includes a dishwasher, micro-wave, fridge-freezer, cooker, kettle , coffee maker & tea towels. Outside to the patio with table & chairs and a BBQ
