About Le Manoir

Interiorly designed each room has been uniquely and individually styled. The bedrooms are adorned with glass crystal chandeliers, decorated with pretty classic vintage wallpapers and furnished with comfortable French beds to flop into. The large bespoke French farmhouse kitchen has chunky solid oak worktops, hand painted wooden units and rustic tiled terracotta floors. The interior design and style of 'Le Manoir' creates a calm and soothing ambience.

Stroll around the beautiful gardens, sit and relax under one of the many mature trees whilst listening to the birdsong, watch the wildlife whilst overlooking one of the wildflower meadow areas. Take a dip in the heated swimming pool or just lounge and relax poolside with a glass of something and a good book. Perhaps a game of something in the undercover barn or on the lawn is more your style, pool, snooker, darts, table tennis or badminton to name a few or even practice your golf swing on the lawn. Whilst in season pick your own fruit from the orchard, and raspberry's from the soft fruit area. Let the children have some freedom to run around and let off steam in the safe and secure children's play areas.
