About La Maison d'Iris

The Gite (sleeps up to 4)

The luxury gite has been imaginatively transformed from the original outbuildings into a private hideaway that's perfect for couples. Beautifully furnished, the gite offers a well-equipped kitchen, a large, contemporary lounge featuring a wood-burning stove, and, just off the lounge, a sumptuous double bedroom with original "bull's eye" windows set high in the wall. (The gite also has a bed settee and a cot is available for those with young children).

Adjoining the bedroom is a beautiful Italian tiled bathroom. Outside is a private terrace and sitting area for taking meals alfresco and gite guests also have full use of the heated swimming pool. With full central heating throughout, the gite is ideal for holidays all year round, including Christmas and New Year.

La Maison d'Iris sits within an acre of well-planted, landscaped gardens. The gardens, extensively planted with flower and shrub borders, provide colour throughout the year, offering both sun worshippers, and those seeking some leafy shade, all they need for a perfect holiday. Nestling in the heart of the grounds is a stunning 10m x 5m heated swimming pool (open from May to October). We hope you enjoy our house and gardens as much as we do.

We understand how much more there is to a holiday than just booking it and turning up. We are dedicated to providing you with a range of services to make sure nothing stands between you and a wonderfully relaxing holiday. Here are some of the additional services on offer. We are happy to organise grocery shopping for your arrival, booking tours/ restaurants/ horse riding/ golf, lunchtime picnics, as well as providing additional housekeeping services, if they are required.

For guests renting the gite, we can provide French continental breakfast and/or a 4-course table d'hôte meal, cooked with fresh local produce and including local wines.
