### About Le Jardin de Cabrerets

At Le Jardin de Cabrerets we have beautiful affordable one and two-bedroom apartments in a 19th century building, all newly refurbished. They are set in a charming medieval village, in a river valley, surrounded by stunning limestone cliffs. It is located in the heart of a natural (preserved) park, renowned for its natural beauty, wildlife and prehistoric caves, it is reputedly one of the most beautiful parts of France

The village of Cabrerets is home to Grottes du Pech Merle caves which house prehistoric cave paintings, dating back 25,000 years, in addition to other vestiges from the 'cave-man' era as well as many beautiful geological features, the remarkableness of these popular caves has recently led to this site being designated a 'Grand Site du Midi-Pyrenees'.

Nestled in the cliffs of this charming village you will find semi-troglodite houses and a ruined chateau dating back to the year 700 AD, as well as a stunning 15th century chateau that provides a backdrop to a popular river-side swimming area.

There is an array of outdoor pursuits just here, you can hire kayaks and kayak through the stunning peaceful valley, or partake in adventure activities at the local activity centre where you can arrange rock-climbing, caving, canyoning, 'accro-branch' (adventure course in the cliffs and trees) and mountain-biking. There is also a horse-riding centre in the village where you can take a series of beautiful treks. Otherwise, you can take peaceful walks in the natural surroundings, there is some beautiful countryside as the village is situated in a natural park ('Le Parc Naturel Causses du Quercy') which hosts hundreds of walking and cycling tracks among abundant flora and fauna. The village is in between the larger medieval towns of Cahors and Figeac, a Cabrerets is close-by to the village of St Cirq Lapopie which has been officially designated one of the most beautiful villages in France.
