Poitou Charentes / Charente / Saint Front

About Escape to Charente

L'abeille has a contemporary feel yet with many original features, stone walls and reclaimed timbers from the original structure remain.

L'abeille was formed from part of our largest barn once used as the wine cave and where preserves were also made when it was a working farm.

L'abeille is set in rural Charente the 'home of Cognac' and is a very peaceful and relaxing holiday location, yet only a short car journey away from civilisation. With views over our field complete with ponies and pygmy goats, a great amusement for children.

L'abeille is highly equipped and very family and child friendly with plenty of space for a great family holiday.

Superbly equipped for even the youngest guests - window security, socket safety plugs, bed guard rails (twin room), changing mat, potty, step-ups, plastic cups, cutlery & crockery, bottle steamer, blender, cots, high chairs, booster seats, push chairs, ETC, please ask if not listed as we will probably have it or be willing to buy it if not.
