About Les Fourques

Les Fourques Wood Gite is newly built and in superb condition inside and out. As a family run gite we have worked hard to make the gite and the land around it a beautiful space, we only have one gite on the land so you will be the only guests staying with us.

The Gite is next to a vibrant mini Vineyard on one side and a rock garden with fragrant herbs on the other side, surrounded by tall trees and olive trees you can feel relaxed in the heart of the Provence surrounded by all the elements of the Provence.

The large pool has both a shallow end and a deeper end, situated next to palm trees and with its own gazebo you have a choice to relax on a sun lounger, take a paddle, a swim or find a little shade seated under the gazebo!

We can provide cots at no extra cost on request, all the bedding is included without any extra cost and changed once per week. The kitchen is fully decked out!

The Lounge has a central ceiling fan to keep you feeling cool and the roof on the gite is insulated to keep the heat of the sun outside!

Please use the contact form or come to our website to book your holiday with us, you can see an up to the minute availability calendar and exact prices for any period from a 4 day stay to a longer stay of your choosing, directly on our website availability/booking system.

We look forward to welcoming you to stay here at Les Fourques.
