About The Cottage at La Boissotiere

"Peaceful", "relaxing", "comfortable". These are just some of the comments our guests have used to describe their stay at the cottage. We invite you to come and see for yourself.

Our spacious cottage looks out onto an attractive courtyard and has its own private garden with access to a further six acres to explore. Ideal for couples, families or groups of friends, the cottage is a countryside haven and yet we are an easy drive away from châteaux and numerous attractions in both the beautiful Loire Valley and Deux Sèvres regions.

It is our aim that you will be as comfortable as possible and thoroughly enjoy your holiday. We are very happy to help with information on local attractions, booking restaurants etc. However if you prefer to be totally independent, that is absolutely fine too!

The village of Cersay is only one kilometre away with a general store and post office, bakers, and chemist. Just a two minute drive or a ten minute walk and you can enjoy freshly baked croissants for breakfast. You can also visit a goat and snail farm in the village and buy the produce.

We are only 15 minutes drive from the larger towns of Thouars or Doué La Fontaine.

There are excellent local markets in the surrounding area. Local vignerons sell wine directly and tastings can be arranged. Quiet country roads and lanes make this location a perfect base for a cycling or walking holiday; it is also a bird-watcher's paradise.
