About Maison Granit

La Maison Granit was built around 1800. Many original features have been retained, such as a stone fireplace, and beams, and it is now furnished and equipped with your comfort in mind. We hope you will enjoy the mod-cons we provide such as satellite TV, DVD player (and DVDs), wi.fi, and Ipod docks.

The ground floor accommodation is open plan and consists of:-

A dining area with a large table and chairs for 6 people.

A fully equipped kitchen with fridge/freezer, electric cooker, microwave, kettle, cafetiere, toaster and iron; assorted pans, knives, and utensils; plenty of glasses, cutlery, crockery and mugs. On our travels over the years, we have stayed in many holiday cottages, and have quite often got frustrated to find things 'missing'. We hope you will think we have thought of everything; if in doubt, please ask to see the full list, and no, of course we haven't forgotten a tea-pot! There will be an initial supply of tea, coffee, sugar, essential seasonings and oil to start you off.

A lounge area with two comfy sofas, centred around the stone fire-place, with wood burning stove, TV and DVD player, and bookshelves with books and DVDs.

Door to to private rear garden, with rotary line, patio furniture, BBQ, and access to further gardens and field.

On the 1st floor, there is one double bedroom, one twin bedded room and a family bathroom with washing machine, shower, bath, w.c, and handbasin.

On the 2nd floor, you will find the master bedroom, complete with en-suite bathroom with bath, handbasin and w.c.

For our younger guests, there are lots of lovely books and DVDs just for you!

A welcome pack containing a selection of local goodies such as cheese, wine, and seasonal fruits will be waiting for you on arrival.

We provide all bed linen, towels and tea towels, but not beach/swimming towels. A cot (with bedding), high chair and bed guards are available; please let us know when booking if you should require them.

A small supplement will be made for heating through the colder months.
