### About Le Manoir de Gurson

Imagine a haven, away from it all,  
Where you can relax, and your stress levels fall.  
Five bedrooms allow you to spread out in style,  
With views of the country for mile after mil.  
Le Manoir is offering you all this, and more,  
With 98 acres to see and explore.  
There is so much to see, and so much to do:  
Do it all, or do nothing - it's just up to you!

Le Manoir de Gurson nestles in the middle of 98 acres of beautiful scenery, and is the perfect location for families, friends and groups to spend quality time together. Sleeping 10, plus baby and toddler, all 5 large bedrooms have private en-suite facilities and lovely views. The kitchen is fully-equipped, with all that you need for your vacation. The lounge has reclining sofas, tv and DVD, and the dining room has a cupboard full of board games for all ages, as well as a piano keyboard.

The sun terrace and garden are by the private pool, which overlooks the hidden valley, fields and woods, and can be illuminated at night. There are horses and ponies to ride on site, too.  
Laze by the pool with a glass of local wine, and just chill out.

For artists, we are hosting a fully-catered Painting and Drawing week in September 2015,  
for £700 per person, £500 per non-participant. Tutored by award-winning artist Murray Ince, the week will be one of interest and conviviality.  
No single supplement. Please contact us for details.
