About Havre Paisible

Centrally Located between Chablis and Chatillon-sur-Seine - easily accessible to Dijon, Beaune, southern tip of Champaign, euro-disney Abbaye de Fontennay, Vezelay or just tranquility.

"Havre Paisible" - your home-away-from home nestling serenely in an unspoilt village in the heart of rural Burgundy - was lovingly created specifically with the pleasure and comfort of my guests in mind.

"Havre Paisible" (French for peaceful haven) - is a traditional farmhouse which has been completely modernized and exceptionally well appointed to ensure a relaxing holiday, albeit without compromising the craft and talent of the local artisans who created the 17th-century original.

Havre Paisible is the original farmhouse dating from the late 1600s but remodeled with all modern conveniences including three bedrooms, three modern bathrooms, a washing machine and fully equipped country kitchen. The farmhouse is enclosed in a beautiful courtyard with a heated 5 x 9 meter swimming pool (open June -end of September). The garden is compact but designed specifically for relaxation and tranquility. Parents, if you have active children this may not be a suitable property for your holiday - but please contact me for specific questions (sometimes the pool is all that is required).

I have called Gigny home for over 10 years and live adjacent to the property and is designed that you are assured of the same relaxing and private holiday even if I am present during your stay. I am here to help with any information you may need and to ensure that your stay is as perfect as possible, but am very sensitive that this is YOUR holiday.
