

Peyremorte

Midi Pyrenees / Aveyron / Villefranche de Rouergue

About Peyremorte

This charming property is made up of a group of three building set in a small rural hamlet about 7 km south of Villefranche de Rouergue, Aveyron, France.

Aveyron is in the Midi Pyrenees region, about equal distance from the Mediterranean and the Atlantic Ocean. The owners who bought the property in 2001 are two artists, a Belgian sculptor and an Irish painter. They enjoy living here in this tranquil rural setting.

This quiet hamlet is in an agricultural area and includes about nine households.

The Gite itself is totally renovated and was completed in 2008. It consists of a bright living & kitchen area, a cosy bedroom, tiled shower room with w.c. and wash hand basin.

The decor is in warm red tones.

Outside in the sunny seating area which faces south, you will find a parasol, a BBQ, along with table & chairs for eating outdoors.

The enclosed back garden looks onto green fields and the Aveyron valley.

The secluded swimming pool is unheated but is in full sun all day and the water temperature

is usually between 25 & 27c in July and August. There are sun loungers on the wide terrace around the pool which is surrounded by pretty flowers and shrubs.

The pool is shared with the owners and as there is only one Gite, most of the time you will have it all to yourself.
