About Trassoulas

Welcome to Trassoulas! A typical French Catalan village found at the end of a no-through mountain road enjoying spectacular views and with walking trails on your doorstep. The interior is smart, modern and well equipped (including wifi), with a combined kitchen, dining and living space being particularly light and airy. You may wish to dine or take breakfast Al-Fresco, or perhaps simply enjoy a glass of wine, in front of the house, enjoying the open vista and recounting the adventures of the day.

Trassoulas is well-suited for artists, writers and academics looking for a longer "retreat" and are welcome to enquire about rates for extended stays. We look forward to welcoming you to our mountain home!
